Chairperson
Phase I Academic Committee,
Faculty of Medical Sciences

Dear Sir/Madam,

Minimizing Paper Waste to Save the Environment

Request to consider to minimize pages in the answer booklet for the examinations

As a step towards reducing paper wastage, the Green Hub of the Faculty of Medical Sciences would be very grateful if you could come to an agreement at the Phase I academic committee meeting with all relevant departments to reduce the 8 page booklet to 6 pages. If departments consider use of single sheets of paper as answer scripts for SPOTS and OSPE examinations instead of using booklets.

This initiative could reduce lot of paper wastage and leave more space for paper bundle storage. Please be good enough to consider the above request and discuss it on the next Phase 01 committee meeting.

We hope you will consider this request favourably.

Thank you

Yours truly
