Provision of fortified rice with iron and folic acid in School Meal Programme – Discussion on the way forward

Fortified rice with iron and folic acid is used in the School Meal Programme in selected schools of Sri Lanka. A meeting is organized to discuss the way forward with this programme as follows;

Date: Wednesday, 21st August 2024

Time: 8.00 AM

Mode: Hybrid (in-person and virtual)

Venue for in-person participants: Office of the Secretary, Ministry of Health

Following is the zoom link for virtual participants:

Meeting ID: 921 1451 5697

Passcode: 091659

As an expert on the field of nutrition/fortification and/or an important stakeholder on rice fortification programme, your participation and provision of expert opinion on implementation and way forward of the above mentioned programme is highly appreciated.

Thank you,

Dr. P.G. Mahipala
