

# Module Documents

## 1. Introductory

1. Microbiome in health and disease 01/2024
2. Host Parasite Relationship 01/2024
3. Sterilization and Disinfection 12/2023
4. Microbial genetics 11/2023
5. Laboratory Diagnosis of infective disease 11/2023
6. General Virology 11/2023
7. Specimen collection and Transport 10/2023
8. General Mycology 09/2023
9. General Bacteriology 09/2023
10. Microbiological aspects of antimicrobial therapy 05/2023

## **SGD / FLM –**

Practical	PPT	Guides	Requirement	Others
Sterilization and disinfection	2023	11/2023	11/2023	Pictures doc
Medically Important bacteria	Available	01/2022	01/2020	Printout docs
Laboratory Diagnosis of infective disease	01/2024	01/2024	Available	Request form
Antimicrobial agents	Available	01/2022	01/2020	ABST report, Printout doc
Virology, Mycology	Available	01/2022	01/2022	Pictures doc

## 2. Multisystem Infections

1. Leptospirosis - 03/2024
2. Tuberculosis - 03/2024
3. HIV – 03/2024
4. Dengue – 02/2024
5. PUO – 01/2024
6. Standard Precautions - 08/2023
7. HAI – 08/2023
8. Sepsis 07/2023
9. Infections in Immunocompromised Patients – 06/2022

## SGD

1. Sepsis – 08/2023
2. PUO Q&A – 07/2023

## FiLM – Emerging and reemerging infections – 03/2024

Practical	PPT	Guide	Requirements -	Others
Tuberculosis	10/2023	Pending	Pending	-
Multisystem Infections	03/2024	2024	2024	ABST report, Sepsis blood culture report

## 3. Respiratory

1. Lung Abscess 10/2023
2. Influenza 10/2023
3. Corona virus Associated Respiratory Tract Infections 10/2023
4. Pneumonia 08/2023
5. Infections of the upper respiratory tract 12/2022
6. Childhood Respiratory Tract Infections 11/2022

## SGD

1. URTI Q&A – 10/2023
2. LRTI Q&A – 06/2022

## FiLM – Fungal Infections of the Lung – 10/2023

Respiratory Infections	PPT- 10/2023	Guides 10/2023	Requirement – 04/2024	Reports A,B,PCR
------------------------	--------------	----------------	-----------------------	-----------------

## 4. CVS

1. Infective Endocarditis – 01/2023

## SGD – Infective Endocarditis Q&A – 01/2023

## **5. GIT**

1. Enteric Fever – 04/2024
2. Blood and Mucus Diarrhoea – 03/2024
3. Antibiotic Associated Diarrhoea – 03/2024
4. Intra Abdominal Infections – 06/2023
5. Food Borne Diseases – 06/2023
6. Hepatitis A\_E – 05/2023
7. Hepatitis B,C\_D – 05/2023
8. Gastroenteritis – 06/2022
9. Host Defenses, Microbiota and Microbiome – 06/2021

### **SGD**

1. Infective Diarrhoea Q&A – 06/2022
2. Food Poisoning and Intra Abdominal Infections Q&A – 06/2022

### **FILM**

1. H. Pylori - 08/2022
2. Cholera – 07/2021
3. Infections of the Mouth Salivary Gland – 06/2021

Practical	PPT	Guides	Requirements	Others
Infections of the GIT	03/2022	03/2022	07/2021	ABST report
Viral Hepatitis	06/2023	06/2023	Done	Reports

## **6. Nephro-Urology**

1. UTI Presentation PPT – 06/2023
2. UTI – 12/2022

## **7. Reproductive and Neonatology**

1. STI – 06/2023
2. Congenital Infections – 05/2023
3. Genital Tract Infections – 05/2022
4. Neonatal Infections – 04/2022

Practical	PPT	Guide	Requirement	Others
STI	10/2022	10/2022	Available	-

## **8. Neurology and Musculoskeletal**

1. Meningitis – 02/2023
2. Rabies – 02/2023
3. Encephalitis – 02/2023
4. Brain Abscess – 02/2023
5. Bone and Joint Infections – 01/2023
6. Acute Flaccid Paralysis – 01/2023
7. Prions – 02/2022

**SGD** – CNS Infections – 11/2023

### **FILM**

1. Tetanus – 11/2023
2. Botulism – 11/2023

Practical	PPT	Guides	Requirements	Others
CNS Infections	01/2024	11/2023	11/2023	CSF Full report,
Bone Infections	29 <sup>th</sup> batch	11/2023	11/2023	Request forms, MRI, External Fixation, ABST Reports (Staph, Pseudo)

## **9. Special Senses**

1. Skin Rashes due to Viruses – 2024
2. Skin and Soft Tissue Infections – 02/2024
3. Leprosy – 01/2024
4. Superficial Fungal Infections – 05/2022

### **SGD**

1. Skin and Soft Tissue Q&A – 02/2024
2. Viral Skin Rashes Q(06/2022) &A – 05/2023

## **FILM**

1. Rare Skin Infections – 05/2022
2. Mycetoma and Mucomycosis – 05/2022

Practical	PPT	Guides	Requirement	Others
Fungal and Bacterial Infections	Available	04/2022	2024	-
