Gangodawila, Nugegoda, Sri Lanka

The ethical approval is effective from the above-mentioned REC meeting date. Please note that ethical approval would be revoked if any alteration is made to the project without obtaining prior written consent from the ethics review committee.

Please note that as the supervisor of this project, it is your responsibility to ensure that procedures performed under the project will be conducted in accordance with all relevant national and international policies and regulations that govern research involving human participants.

Thank you,

Yours sincerely,
