

Student Code of Conduct
Faculty of Medical Sciences
University of Sri Jayewardenepura

In relation to the public/patients

1. We will treat every patient equally well without considering their race, social status, etc. People who need urgent help will always be given priority.
2. We will respect the patients' privacy and maintain confidentiality of their personal information.
3. We will enlighten the public as to what they have to know in order to ensure public health and safety.
4. We will be kind and polite to the public.

As professionals

5. We will be responsible with the use and communication of our knowledge.
6. We will always try to be updated in our field to serve the public better.
7. We will set a good example for the society, especially for the impressionable younger generation.
8. We will duly respect fellow professionals, teachers, patients and student colleagues.
9. We will maintain honesty and clear communication when working with peers.

In the Faculty/as students

10. We will always be united as a team, irrespective of any differences in race, gender, ethnicity, etc.
11. We will fight for the safety, dignity and rights of each and every batchmate.
12. We will maintain a professional demeanour when interacting with teachers both inside and outside the faculty while engaging in open and honest communication with them.
13. We will greet the non-academic staff and acknowledge their presence whenever possible, giving them due respect.

14. We will be punctual to lectures and other events and will conduct ourselves in a manner that is not disturbing to teachers and other students.
15. We will adhere to the rules and regulations of the faculty and will defer to the faculty and staff where necessary.
16. We will always uphold the dignity and good name of the faculty and will strive to bring it glory.
17. We will protect the infrastructure of the faculty avoiding all forms of vandalism and will do our best to keep the faculty premises clean and tidy while making the maximum use of the faculty resources, both academic and recreational.

32nd Batch
